

SAVE OUR STREETS

The S.O.S. Peace March October 20th, 2010 6:00pm

October 12, 2010

Greetings S.O.S. Community Partners!

Sadly, there have been over 50 victims of gun violence in the 77th Precinct of Crown Heights since January 2010. Save Our Streets (S.O.S) is asking you to join us in making the statement, "The Violence Must Stop!" Shooting and killing is not acceptable in Crown Heights or any other community. If we all work together we can make a change.

What is S.O.S?

S.O.S. Crown Heights is a program that provides immediate intervention whenever a shooting occurs in the neighborhood, reaching out to the victim, friends, and family to ensure that a retaliatory shooting does not take place. S.O.S. Crown Heights works closely with neighborhood leaders and businesses to promote a visible and public message against gun violence.

Please join us and the rest of the community to work to end the shootings and killings.

Date and Time: Wednesday October 20th, 2010 at 6:00pm.
March Starting: 6:00pm
March Ending: 7:00pm

Please Note: THE STARTING LOCATION FOR THE MARCH HAS CHANGED

Location: Northwest corner of Eastern Parkway and Utica Avenue
